Mens Hitters

A session for the men's team members and any players over 18 years of age, whose standard has been approved by one of the club's coaching staff. This session includes singles, doubles and coaching tips on how to improve your match play.

Mixed Morning

A fun, social 2 hour session for anyone who is seeking some doubles related drills and match play. Players must be over 18 years of age and be able to serve and rally from the baseline.

Hot drink included.

Adult Club Night/Afternoon

Designed for players who can rally and serve from the baseline and have a general interest in competitive play, with a mixture of singles and doubles.

Adult Beginners/Improvers

These sessions are aimed at those that have not played before or those that have played very little. With drills and point based exercises you will develop your technical and tactical ability, and hopefully you'll meet people to arrange a game with.

Team Practice

A session of singles and doubles tactics, which is ideal if you are looking for a more physical workout. It involves more intensive drills and is for tennis club team members only.

Hot drink included.

All sessions are taken by a member of the club's coaching team who are all LTA qualified and accredited.
